

Big-City Amenities. Small-Town Charm.

# ONE UNFORGETTABLE DESTINATION.

## TAKE YOUR EVENT TO NEW HEIGHTS

Named Top Adventure Town by Blue Ridge Outdoors, Johnson City is the ultimate place for world-class recreation. In Johnson City, you can hike to panoramic mountain views from Buffalo Mountain, rock out to a concert at Freedom Hall Civic Center, or rent a bike and head to Tannery Knobs Mountain Bike Park. This can be achieved while being just minutes from the historic downtown district - home to local restaurants, breweries, retail shops, parks, public art, and 360° mountain views. As the hub of Northeast Tennessee, you can experience everything the region and neighboring states have to offer. Waiting to greet any and all with good ol' southern hospitality, Johnson City invites you to plan your next event at one of our top-notch athletic facilities in the Mountain South. While also being within a day's drive of more than half of the United States population, Johnson City has something for everyone!
